**SUPPLEMENTARY INFORMATION:** The Advisory Council on Alzheimer's Research, Care, and Services meets quarterly to discuss programs that impact people with Alzheimer's disease and related dementias and their caregivers. The Advisory Council makes recommendations about ways to reduce the financial impact of Alzheimer's disease and related dementias and to improve the health outcomes of people with these conditions. The Advisory Council provides feedback on the National Plan to Address Alzheimer's Disease. On an annual basis, the Advisory Council shall evaluate the implementation of the recommendations through an updated national plan.

The Advisory Council consists of designees from Federal agencies including the Centers for Disease Control and Prevention, Administration on Aging, Centers for Medicare and Medicaid Services, Indian Health Service, Office of the Director of the National Institutes of Health, National Science Foundation, Department of Veterans Affairs, Food and Drug Administration, Agency for Healthcare Research and Quality, and the Surgeon General. The Advisory Council also consists of 13 non-federal members selected by the Secretary who are Alzheimer's patient advocates (2), Alzheimer's caregivers (2), health care providers (2), representatives of State health departments (2), researchers with Alzheimer's-related expertise in basic, translational,

clinical, or drug development science (2), voluntary health association representatives (2), and a person with a diagnosis of Alzheimer's disease or a related dementia. Members serve as Special Government Employees. This announcement is seeking nominations for a person with a diagnosis of Alzheimer's disease or a related dementia who is not a Federal employee. This person will serve a two-year term.
